Our vision

To build a community that changes lives, makes a difference to society and leaves a legacy greater than ourselves and our contributions.

Our mission

To grow a compassionate, resilient, and trauma-informed community, that embraces learning, so that we improve the lives and outcomes of individuals.

Our values

Our values form the heart of the work we do, defined by Fair Ways people, for Fair Ways people. These are the values by which we operate, by which we are governed, and to which we are held accountable.

We therefore expect every individual within Fair Ways to *play their part*:

1 Purpose of the plan

- 1.1 This plan examines potential risks and issues that could cause disruption to the exams process within Fair Ways Education. By outlining actions/procedures to be invoked in case of disruption it is intended to mitigate the impact these disruptions have on our exam process.
- 1.2 Alongside internal processes, this plan is informed by the Exam system contingency plan: England, Wales and Northern Ireland which provides guidance in the publication 'What schools and colleges and other centres should do if exams or other assessments are seriously disrupted'.
- 1.3 This plan also confirms Fair Ways Education is compliant with the JCQ regulation (section 5.3, General Regulations for Approved Centres 2022-2023) that the centre *has in place a written examination contingency plan which covers all aspects of examination administration. This will allow members of the senior leadership team to act immediately in the event of an emergency or staff absence.*
